

Fact Sheet – Rancho Cucamonga Campus

Campus Overview

- Campus opened in July 1998 with first graduating class in November 1999.
- The 147,000 square-foot training facility is located in Rancho Cucamonga, California.
- The campus has 28 classrooms and 8 labs.
- The key area employers that employ UTI graduates are Crown Lift Trucks, Crown Technical Systems, SunBelt Rentals, Les Schwab, TTX, Clark Pacific, South Gate, Pep Boys, Sears Auto Centers, AutoZone, O'Reilly Auto Parts, Penske, and Complete Coach Works.
- UTI-Rancho Cucamonga has 78 employees.

Specialized Training

- The campus specializes in providing the training necessary to begin a career as an entry-level welding, automotive and diesel technician.

Core Programs

- Automotive – The program teaches students how to diagnose, maintain and repair domestic and foreign automobiles.
- Diesel & Industrial – The program teaches students the basic knowledge and skills to diagnose malfunctions in mechanical and electrical systems and make necessary repairs and replacements on diesel engines, commercial vehicles, and heavy equipment.
- Automotive/Diesel & Industrial – The program combines all the courses from the Automotive Technology plus the Diesel & Industrial Program to train students for a career as a professional technician in each of these industries.
- Welding Technology – The Welding Technology program gives the hands-on training needed to prepare for a flexible career in the industries from automotive fabrication to aerospace.

Manufacturer-Specific Advanced Training (MSAT)¹

- Ford FACT (Ford Accelerated Credential Training) – The 15-week program results in the completion of 9 Ford specialty certification areas.

¹ Following completion of the relevant core diesel or auto program.

- Toyota Professional Automotive Technician (TPAT) program – The 12-week program provides technicians with eight Toyota and five Lexus class credentials, preparing them as specialists on Toyota equipment and vehicles and to complete certification by the National Institute for Automotive Service Excellence (ASE).

Accreditation

- UTI-Rancho Cucamonga is accredited by the Accrediting Commission of Career Schools and Colleges (ACCSC), which is recognized by the U.S. Department of Education.

STEM

- Universal Technical Institute participates in the STEM Education Coalition, a nationwide initiative that reflects our commitment to ensure science, technology, engineering and math skills are interwoven throughout our curriculum.

Community Champions

- Employees, their families and the campus students and instructors are actively involved in the community. They support local blood drives organized through the American Red Cross.
- The campus is a proud member of the Rancho Cucamonga Chamber of Commerce and the Inland Empire Economic Partnership.
- The campus participates in annual “battle of the brands” car shows, “Welding Palooza”, career fairs, car meets and hosts several clothing/ food drives that support local family shelters and women’s centers.
- Campus President Vazquez-Valle serves on the Advisory Board of Ignite Worldwide, a nonprofit designed to inspire girls now in technology evolution.
