

### Campus Overview

- The original campus opened in Phoenix, Ariz., in 1973, and relocated to Avondale, Ariz., in 2022.
- MMI comprises nearly 60,000 square feet, including 26 classrooms and labs, and adjoins the UTI-Avondale campus.
- Students can complete MMI's core Motorcycle Technician Training Program in just 42 weeks.
- Brand partners include Harley-Davidson, Honda, Yamaha, Suzuki, Kawasaki and BMW.
- Key employers in the Phoenix-area that have employed MMI graduates include: RideNow Powersports (multiple locations), Harley-Davidson of Scottsdale, GoAZ Motorsports, and Buddy Stubbs Harley-Davidson
- MMI has approximately 62 employees on campus.

### Specialized Training

- MMI students have an opportunity to learn the foundations of motorcycle, ATVs, powersports, side-by-sides and personal watercraft via MMI's Motorcycle Technician Training Program. Students are taught to troubleshoot and diagnose engines, test performance and drivability, and receive specialized training with leading industry brands.

### Core Program

- [Motorcycle Technician Prerequisite](#) – The program covers the key components of motorcycle technology and serves as a foundation for professional development.

### Manufacturer-Specific Advanced Training (MSAT)

- [Harley-Davidson Late Model](#) – The 24-week program emphasizes hands-on training for the service and repair of late model Harley-Davidson motorcycles and day-to-day dealership operations.
- [Honda Hontech](#) – The 12-week program instructs students on everything from advanced electrical troubleshooting to the design characteristics of Honda motorcycle and ATV engine configurations.
- [Yamaha YamaPro](#) – The 12-week program provides instruction on how to repair a variety of Yamaha vehicles, including motorcycles, ATVs, watercraft, generators, and snowmobiles.

- [Factory Authorized Suzuki Training \(FAST\)](#) – The 12-week elective program includes troubleshooting, diagnosing, and repairing engines and drivetrains, as well as all facets of servicing electrical systems on Suzuki motorcycles and ATVs.
- [Kawasaki K-TECH](#) – The 12-week program covers state-of-the-industry technology and training techniques to diagnose, repair and maintain a variety of Kawasaki vehicles.
- [BMW Motorrad](#) – The 12-week program provides training on the latest models and state-of-the-industry equipment necessary to prepare students to diagnose, service and maintain a variety of BMW motorcycles.

### Accreditation

- MMI is accredited by the Accrediting Commission of Career Schools and Colleges (ACCSC), which is recognized by the U.S. Department of Education.

### STEM, Community & Educator Outreach

- MMI participates in the STEM Education Coalition, a nationwide initiative that reflects our commitment to ensure science, technology, engineering, and math skills are interwoven throughout our curriculum.
- MMI-Phoenix employees and students, as well as their families, volunteer for organizations such as the Boys and Girls Club of Metropolitan Phoenix and Habitat for Humanity.
- Staff members and students roll up their sleeves several times a year to donate blood to Vitalant Blood Services. The campus has received many awards for its volunteerism and blood donations, including being the 2<sup>nd</sup> largest supplier of blood donations in the organization category
- The campus also participates in many events for students and the community, including the Christmas Toy Run to Maggie’s Place located in Phoenix, AZ, Student Appreciation Day, annual backpack drive and the Christmas Angel Program.
